Dear Friend,

This book will reveal to you an easy to follow process on how to begin generating income from your freelance writing business.

You might ask, "Is this really doable?"

Yes!

How do I know?

Because I did it! With zero experience and no formal training or degrees to help me.

I earn four figures monthly in part-time hours. I was able to start the business while working full-time and am now able to focus on my writing full-time. Mind you, this is without a boss or anyone looking over my shoulder. My clients are happy with my work and they show me that by paying me and asking me to continue working with them.

This book contains proven steps and strategies on how to establish your freelance writing business.

Here is a preview of what you'll learn...

- *Why freelance writing?
- *Getting ready for freelance writing
- *Looking for work
- *Establishing your freelance writing business
- *Key mistakes to avoid (I've done these so avoid them!)
- *The weird truth about job boards
- *What to do after you've established your business
- *And much, much more!

These strategies and lessons truly have the power to help you a build a profitable, home-based business that has the ability to change your life!

The freelance writing business is one of the most thriving businesses in the internet today. The problem for

many is how to build one. Some freelance writers start off optimistically but end up discouraged due to a lack of clients, getting boring writing jobs, and getting jobs with bad pay. In this book, you will learn how to build a profitable freelance writing business and how to maintain it.
