Garage Shelving / 120cm Grey Shed Shelves / Extra Wide Warehouse Storage Racking From Monster Racking

Transform your warehouse, stock room or garage with these 3 warehouse shelves / garage shelving units from the Q-Rax Range. The keyhole mechanism allows the components to slide into place and lock together creating a strong storage unit perfect for garages, warehouses, utility rooms, sheds and greenhouses.

With exceptional ease of assembly, these racks are 100% boltless and have an extra depth compared to the industry standard racking bays and shelving.

They each measure 1200mm x 500mm x 1825mm (w x d x h).

Features:

3 x Q-Rax warehouse shelves / garage shelving units each with five sets of shelves

Excellent key hole mechanism literally glides together

Each rack can be split in half effectively creating two solid workbenches

Solid MDF boards for all shelves

Moulded feet providing extra sturdiness

Weight tolerance of 200KG per shelf for evenly distributed loads

Heavy duty steel (each rack weighs over 35kg so is classed as freight ? just shows how solid it is)

To assemble the racking bays, all you will need is a rubber mallet.
